More Protection For Daly City

Now added to the city equipment for the preservation of life and property in Daly City are the three big firefighting units shown above.

On the left is the streamlined 600 gallon pumper truck that will be used by Company 4. Company 2 will operate the second pumper truck, which appears in the middle picture. The members of the fire department pictured are as follows: left to right, H. W. A. Rickmann, Don Rigler, Captain Gus Ford, Fire Chief A. P. Chesney, Battalion Chief Elmer Kennedy, Remi Sanders, A. M. Harrison, and Julius Twesten.

The third truck, on the right, will be used by Company 1, and is specified as a squad wagon. This truck's specifications were drawn up by Fire Chief Chesney, and it carries a 100 gallon pumper with a capacity of 150 gallons.

The pumper trucks are each equipped with two reels of 150 feet of hose. In addition to the 600 gallon pumpers, the trucks are equipped with booster pumps, additional hose and a full supply of ladders.

To Form Local First Aid Squads

Formation of thirteen first aid squads for active civilian defense duty was forseen this week as four standard classes and an advanced class opened in Daly City. Under the supervision of R. L. Crane jr., chairman of the first aid division of the Civilian Defense Council, the classes are being held under the auspices of the San Mateo County chapter of the American Red Cross.

Estimating that 65 people will be necessary for first aid operations in Daly City, Crane announced that the thirteen units would be mobilized as soon as the classes were completed.

Because of the pressing need for the organization of first aid in the emergency, classes are being taught twice a week. Two classes are held on Monday and Wednesday evenings, while the others meet on Tuesday and Thursday evenings. Meeting place for the classes is the Company No. 1 firehouse, located at 188 Santa Barbara avenue. Crane instructs the advanced class at the Administration building of the Jefferson school district. He announced that an additional location is sought for standard classes.

Standard classes are conducted by Miss Ella Redkey, Albert

Board Prepares For Registration

Federal orders to increase the manpower of the military forces of the nation resulted in a decision by the local draft board, No. 103, to register the men between the ages of 20 to 44 in five separate sections, it was announced yesterday by Dr. J. C. McGovern, chairman.

With the registration scheduled for February 16, Dr. McGovern said that separate registrations will be conducted in Daly City, Colma, Sharp Park, Brisbane, and South San Francisco. It was learned that the reason for segregating the districts of the local board was to relieve the pressure on one location in registering an estimated three thousand men.

Dr. McGovern made an urgent appeal for volunteers to serve as registrars on the registration day, February 16. With much assistance needed in registering, he asked that anyone who is willing

Sergeant Bill Bolger Returns To Desk Job

On the job again after an absence of a month, Sergeant William Bolger took his place at the desk of the Daly City police department, Monday.

Bolger resumed his duties after being confined to Mary's Help hospital, and, later, to his home. He was taken to the hospital, December 7, when he underwent an operation. Later, he was removed to his home until he was able to work again.

"It's a great feeling to be back on the job again," declared Bolger as he discharged his duties, Monday morning.

Colma Unit, AWVS, To Register Tomorrow

Calling for volunteers for duty in the emergency, the Colma unit of the American Women's Voluntary Services announced that registration opens tomorrow at 1 p. m. at the Jefferson annex. The signing of volunteers will continue until 4:30 p. m.

Co-operating with the American Red Cross and the Civilian Defense Council, the A. W. V. S. urges any women interested in serving in this capacity to register tomorrow. The organization offers women an opportunity to serve their country in whatever way they are best fitted. There are no fees or dues, and all services are entirely voluntary.

The services offer basic courses in first aid, air raid precautions, and many courses in civilian defense. Directors of the Colma Community Center have given the use of their building for the courses, which will be announced when registration has been completed and the volunteers have been classified.

The Colma unit was first formed, December 22, when Mrs. A. S. W. Grundy, San Bruno, supervised the organizing. Mrs. Grundy is one of the three organizers in San Mateo county.

Council Hears Protest

Joe Altieri Builds Six New Homes

Joe Altieri, partner in Belli Motor company, San Pedro road, has just completed construction on six new Daly City homes, located from 52 to 76 Market street.

Altieri, this week, announced that all of his new homes have been rented. The houses are patio type with five rooms and full basement garages.

Five of the new families, who have moved in, are from San Francisco; one is from San Bruno.

Local merchants and friends of Altieri are congratulating him on bringing these new families into Daly City.

Fahey Names Three To Rationing Board

Daly City's first rationing system of the present war was set in motion, Friday, when Mayor John J. Fahey appointed a board for rubber rationing in the city.

The board, comprised of three members, Edmund Cavagnaro, John Degliantoni, and Mrs. Ethyl Dorn, was selected by the mayor according to state instructions. The instructions from Governor Culbert L. Olson and Richard Graves, executive secretary of the State Defense Council, specify that each local board consist of two men and one woman.

Mayor Fahey submitted the names of the rubber rationing board to the State Council of Defense at Sacramento, Friday, and the actual rationing began, Monday.

Required under the regulations of the Office of Price Administration, the rationing system limits the sale of tires and tubes to civilians. The instructions were received locally at the Civilian Defense Council headquarters.

South End Property Owners Object To Assessment Rate For Street Project

Climaxing a lengthy and heated discussion involving protests from South End property owners of assessment amounts for a street improvement project recently completed in this district, the council voted, Monday night, to adopt the assessment.

Basing claims that the assessment doubled the estimated amount, the protesting taxpayers filed 157 formal objections with the council and made several verbal complaints in addition. Protests were first made at a previous meeting, last week, and the hearing was continued until Monday night. The taxpayers were legally represented by A. J. Scampini and Harold E. Haven, San Francisco attorneys.

Discussion on behalf of the city council was led by Rudolph A. Rapsey, city attorney. The contractors, Hanrahan Company, who executed the project in conjunction with the city and the WPA, were represented at Monday's hearing by Ernest A. Wilson, attorney from Kirkbride and Wilson, a law firm of San Mateo.

After devoting the whole of the two meetings to consideration of the objections, the council adopted a resolution over-ruling the property owners' protests, and further adopted an additional resolution confirming the assessment. However, Scampini intimated, prior to the adoption of the resolutions, that the hearing would be continued in court. Scampini claimed certain records from the city engineer's office as part of the evidence in the case for use in court proceedings.

Wilson, the counsel for the contractor, defended the city council in filing the assessment figures, declaring that circumstances required the project to be continued for a much longer period than was estimated. The reason for this, he added was, chiefly, the abandonment of the job, temporarily, under WPA supervision.

Sworn in by Rapsey, B. C. Ross, city clerk, and Robert Klassen, city engineer, who supervised the job, testified to questions from Scampini. Klassen explained the manner in which he arrived at the figures that comprised the assessment. Giving an account of the expenditures for equipment, labor, and other costs, Klassen added that he maintained a complete record of the expense of the job in his office.

In forwarding the complaints of the South End property owners, Scampini impressed upon the council that he was not laying blame on anyone in the matter, but, rather, an accumulation of causes and effects, and, later, signified intentions of proceeding with the hearing in court.

Civilian Defense Council Rushes Training Of Wardens, Auxiliary Officers

Making rapid strides in preparing for the defense of Daly City's residents, the Civilian Defense Council's job of training the wardens and auxiliary officers was supplemented, Saturday night, when the blackout order was given to communities in the Bay area.

Civilian Defense Chief Arthur J. Bodien reported that the forty-minute blackout afforded the civilian defense workers of this community some very practical training, even though it was the real thing. Bodien claimed the blackout was successful in Daly City with quick response from both the residents and the civilian defense officers who were assigned to posts.

Julius Twesten, chief air raid warden, announced that he was satisfied with reports of the air raid wardens' department, and revealed that every senior warden was at his post soon after the "red" signal was received in Daly City. With the police department receiving the signal at 6:22 p.m., each senior warden was reported to be on duty before 6:30 p.m.

Twesten expects to introduce a

Red Cross Workshop Well Under Way Here

Production progress is now under way in the Daly City Volunteer Red Cross organization, under the direction of Mrs. Horace Fellows, town chairman. Announcing plans for 1942, Mrs. Fellows reported that the sewing group meets, Wednesdays and Fridays, between the hours of 10 a. m. and 4 p. m. in the Daly City Theatre hall.

An urgent appeal was made by the Red Cross for additional sewing machines in Daly City. The organization of 38 ladies who have volunteered for duty to date are working with five sewing machines. Mrs. Fellows expressed a desire for more machines in order to speed up production. Sewing machines can be loaned to the Red Cross by contacting Mrs. Fellows at DElaware 4123.

Due to a full program outlined for the local group, there is also a demand for more volunteers. Registration can still be made at Theatre hall on the meeting days.

"What Can Women Do Toward Defense?" They Can Join Voluntary Services Today

What can women do toward civilian defense? This is a question asked by many Daly City women in the midst of local civilian defense preparations.

The American Women's Voluntary Services have a very definite and direct answer to this question. They are offering free training courses to women volunteers in a number of practical fields which are vital in civilian defense.

Designed after an organization of women volunteers in Great Britain, which proved very effective in war time, the American Women's Voluntary Service was formed in 1940 under the direction of Mrs. Alice McLean, organizer of the New York unit.

Since many communities in the same circumstances as Daly City have formed units of their own, local civilian defense authorities expressed a need for a unit of the American Women's Voluntary Services in this city. Instructions may be received from the San Francisco unit.

Serving as a clearing station for units of the Bay area, the unit in San Francisco, under the direction of Mrs. Nion Tucker, chairman, offers full instruction to all volunteers. Many of the volunteers serve in San Francisco, while a number of the women train in order to organize groups in their own communities. The San Francisco unit is located at 665 Market street, and any infor-

Sale Of Defense Bonds, Stamps Soars

Soaring to new heights, since the declaration of war on December 8, the sale of bonds and stamps issued in Daly City showed a marked increase during the month of December, according to reports from the postoffice and the Bank of America.

Postmaster Gustav John estimated the sale of defense savings bonds alone at the Daly City branch to be over $10,000. John

We bet the news in the paper Mr. and Mrs. Vincent Vanni, 871 Brunswick street are reading is small time stuff to them compared to the information that they are the parents of twins. The twins, a boy and a girl, are the first children of the Vannis. Their names are David Victor and Alice Marie. They were born, December 20, at St. Joseph's hospital.

Vanni is one of the proprietors of the Hilltop nursery on Hillside boulevard in Colma.

Hull Mentioned

During a press conference in Washington, former Gov. Alf M. Landon of Kansas, inadvertently referred to Secretary of State Hull as "President Hull."

"Is that slip significant?" inquired a reporter.

"Not especially," replied the 1936 Republican presidential candidate, but he conceded that if the Democrats picked Mr. Hull they would at least have a good candidate.

In the training program, three courses are basic classes, and must be completed in order to qualify for service. The three courses are First Aid, Diet and Nutrition, and Air Raid Precautions. The San Francisco group also offers courses in Motor Mechanics, a course taught by master mechanics of a number of automobile firms; Map Reading, a course covering the use of the compass, topographical maps, and military and naval charts.

Already a member of the American Women's Voluntary Services, Mrs. Mildred Fursdon, 438 Willits street, is receiving instructions at the San Francisco unit. Mrs. Fursdon expressed a desire to see an organization formed in Daly City as a step in aiding the civilian defense preparations.

A unit in Colma is reported under way with registration of volunteers beginning this week.

Did You Think It Was A Nice New Year's Eve?

New Year's Eve might have been an occasion of merriment and carefree gaiety for many, but the Daly City Water department spent the first three hours of 1942 in amending the damage done by a runaway automobile, and pursuing a stolen truck.

Called out thirty minutes before the new year made its debut, Superintendent Arthur Bodien and four members of the department, Elmer Kennedy, Bert Leahy, Ed Olson, and Gus Ford, worked until after 3 a. m. at a hydrant at Mission and Wilson streets.

The driverless machine was first seen rolling down the hill by Edmund Cavagnaro and his wife, 428 Irvington street, as they were alighting from a street car. They called the police department after seeing the car crash into the hydrant, causing a flow of water down the street. The police notified Bodien, and the water department was soon on the job.

When the time was 3 a. m., and it was 1942 in Daly City, the water department employees looked up from their rush job to find their service truck "absent without leave." Fortunately, however, Ford spotted two youths driving off in the truck. Having been on the scene while the hydrant repairs were being made, James Welsh, proprietor of the Alert Van and Storage company, with Ford and Leahy started in pursuit of the truck in Welsh's machine. They finally overtook the truck on Skyline boulevard. Driver of the stolen truck was found to be George Hildreth, 18, San Francisco. He was arrested and placed on probation for one year when he appeared, Friday, in Judge John J. Fahey's court.

On investigation, the car that caused all the excitement and damage proved to have been parked on Mission street near the Daly City theatre when the brakes slipped, sending the machine down the hill into the hydrant.

After straightening out the affairs of the broken hydrant and their stolen truck, the water department disbanded, and went to their respective homes with the firm conviction that the only thing that could possibly have complicated matters further in the midst of the excitement would have been a blackout! And they wouldn't put it past the Japs either!

Bette Davis Stars In Famous Play

A searching drama of a woman's soul is developed in "The Little Foxes," Samuel Goldwyn's notable film version of Lillian Hellman's stage hit, which opens tomorrow at the Daly City theatre.

The two-time Academy award winner, Bette Davis, plays the difficult role of Regina Giddens, a scheming, heartless Southern matron, wife of a kindly banker and mother of a lovely but unworldly daughter. Determined to become rich and powerful, she joins her avaricious brothers in a cotton-mill project that will net them millions if they can raise their share of the finances to start it.

They need the banker's help in this matter, but he refuses to have anything to do with the plan. Dangerously ill, he is more concerned with the welfare of their daughter than with his wife's selfish ambitions. As a consequence, the story rises to arresting dramatic heights as Regina, balked in her desires, cold-bloodedly brings about her husband's death and blackmails her brothers in order to attain her ends —only to realize, when it is too late, the futility of her whole career.

The role of Regina demands unusual dramatic ability, and to it Miss Davis brings her rich experience and talents, with the result that the picture is said to be one of the finest productions of recent years. Herbert Marshall as the banker, Teresa Wright as the daughter, Richard Carlson as the latter's young admirer and Jessie Grayson as a colored maid share important roles with a quartette of the original Broadway cast, Patricia Collinge, Dan Duryea, Charles Dingle and Carl Benton Reid, in interpreting the stirring film.

Companion feature on the new bill will be "Niagara Falls," with Tom Brown, Marjorie Woodworth and Zazu Pitts.

TERESA WRIGHT: Definitely headed for screen stardom is Teresa Wright, making an electrifying debut in "The Little Foxes," cast as the deeply sensitive and sympathetic Alexandra Giddens. In this role she plays the 17-year-old daughter of Bette Davis, who is starred. The picture opens tomorrow at the Daly City theatre.

Veteran Newspaperman Dies In Daly City

Percy Thomas, 72, veteran newspaperman for the past 52 years, died, Tuesday, at the Villa sanitarium in Daly City. Ill health in the past few months necessitated Thomas being confined to the sanitarium.

A telegrapher for the Hearst news service, Thomas' duties carried him to newspaper offices in New York, San Francisco, and many Hearst news centers in Europe.

Poor health caused Thomas to retire from his active career, last year.

AMERICA GREETS 1942

America faces the New Year with firm hope and confidence. Bad news from the Far East may, for the moment, dampen our spirits, but it has in no way discouraged or dismayed us. Against any temporary setback stands the enormous storehouse of resources held by America and her allies which guarantee ultimate victory against fanatic, conquest-hungry powers.

The road to victory will be neither short nor easy. The President's forecast that the war effort will be taking half our national income before the struggle is won gives a hint of the sacrifices lying ahead for civilians. Before the shooting's over, the family car may be parked in the family garage for the duration, and the bicycle and even the horse may stage a revival to conserve fuel, rubber and metal supplies for re-armament.

As to the nation's physical well-being we need have no fears. No country on earth is as plentifully stocked with food supplies, nor as well fortified with mass distribution systems to ensure adequate supplies to every city and hamlet. This year the nation's one billion acres of farm and pasture lands will take their cue from the government's challenge, "Too much production is impossible." This is to say, 1942 will witness the greatest farm production program we, or the world, have ever seen. We need not worry about scarcities. Retailers, chain and independent, have again given their sincere pledge to fight every type of speculation or profiteering with the same thoroughness that in the past year won them the high praise of Washington's price administration officials.

The nation has entered 1942 endowed with the strength and firm in the resolute will which will alone assure victory.

Daly City Cleaners Annex 2-1 Victory Over Universal Press Bowlers

Daly City Cleaners continued to be the thorn in the side of the first place Universal Press bowlers, Friday night, when the Cleaners annexed a 2 to 1 victory over the strong Press team in the Daly City league.

Earlier in league play, Daly City Cleaners took a 3 to 0 series from Universal.

Colma Vista Grande Eagles took a three-game series from the ill-fated Lions, Friday night, but the Sheriff's Office won over Curry's Barbers, 2 to 1, to keep pace for second place position with the Eagles. Milo's Market outbowled the Conci Shell service by a score of 2 to 1.

Doc Ratto, by virtue of his 253 bowling score, two weeks ago, continues to hold the record for individual game score. Persson, bowling for Conci's Shell service, still maintains the high season average with a mark of 176.

The Sheriff's Office will roll with the Lions this week in alleys 1 and 2; Conci's meet Universal Press in alleys 3 and 4; Colma Vista Grande Eagles meet Milo's Market in alleys 5 and 6, and Curry's play the Cleaners in alleys 7 and 8.

The league standings:

Civilian Defense Council Rushes Training Of Wardens, Auxiliary Officers

(Continued from Page 1)

course of instruction to air raid wardens, this week, showing them how to deal with incendiary bombs, fires and other types of warfare that are now employed by enemy forces. Drilled at a fire college course in San Francisco, Captain A. Benassini, head of Company No. 6 of the Daly City Fire department, and Captain A. Sundstrom of Company No. 4 will instruct the course, which consists of three hours of practical fire prevention measures. The courses will be given to groups of thirty wardens.

Arm bands were this week distributed to wardens with instructions to wear them during the discharge of their duties to identify their authority. Senior air raid wardens are continuing their survey of the buildings in their precincts in recording locations of main switches for electricity and water and gas mains.

In response to a number of inquiries regarding the authority of wardens in residential districts of the city, Twesten stated that the only information that the wardens want is the location of the power units in the houses and the number of residents and invalids, if any, at each residence. This information is recorded for the resident's own benefit, Twesten pointed out.

Plans for thirteen first aid units in Daly City were set into motion this week when First Aid Chairman R. L. Crane jr. ordered initial courses in first aid this week. The classes began Monday night with four standard and one advanced class in progress. Crane cited the need for additional instructors. He said that 65 individuals would be required to make up the thirteen squads in Daly City.

Drills for auxiliary firemen are in progress each week with the fire captains of each company serving as instructors under the general direction of Chief A. P. Chesney.

Law enforcement bodies will be active with a total of 160 auxiliary police officers, according to James G. Reardon, chief of the police department.

Board Prepares For Registration

(Continued from Page 1)

to volunteer their services as a registrar contact him at the Daly City Medical-Dental Center, 6273 Mission street. Dr. McGovern asked that if it is inconvenient for volunteers to go to his office there, they can telephone him at DElaware 4254.

Requiring two registration stations locally, Dr. McGovern stated that the draft board intends to obtain, if possible, one other location in addition to the city hall.

The board will appoint a chief registrar for each of the five districts in the territory for which draft board 103 is responsible.

The local board chairman stressed the fact that men now registered under the first draft act, those who were between the ages of 21 to 35 at the time of registration, would not be required to register in the February registration.

Although it was pointed out to draft boards at a mass meeting in San Francisco, Monday night, attended by Dr. McGovern and Fred Collins, local draft board members, that the registration order was not yet official, the local board chairman declared that it was merely a formality to make it official.

Thomas Cochrane Succumbs To Illness

Thomas Cochrane, 31, 343 Citrus avenue, succumbed in a San Francisco hospital following a short illness, Friday.

He is survived by his sister, Mrs. Edythe Ambrosio, with whom he resided.

Funeral services were held, Saturday afternoon, from W. C. Lasswell and company chapel. Interment was at Holy Cross cemetery, Colma.

TRAFFIC COURT

Judge Reprimands Youthful Thief

Charged with tampering with a vehicle without the consent of its owner, George Hildreth, 18 year old San Francisco youth, was placed on probation for one year when he appeared in the Daly City court, Friday.

Young Hildreth was arrested early New Year's morning after stealing the service truck of the Daly City Water department while they were repairing a damaged hydrant. Following the judgment of the court, Judge John J. Fahey jr. delivered a stern warning to the youth regarding any further charges. Judge Fahey instructed Hildreth to report to the office of the county probation office in Redwood City once a month.

Judge Fahey issued a fine of $10 to Masashi Orikuchi, San Francisco, on a charge of speeding.

Rathbuen B. Bell, Montara, charge with violation of the speeding law, was fined $7.50.

Virgil George Seatena, Sausalito, and Karl Paul Matzger, San Francisco, each paid a fine of $4 for exceeding the speed limit on a state highway.

Ralph H. Schaberow, San Bruno, paid a fine of $2.50 for speeding.

Herman Douglas Richmond, San Francisco, paid a fine of $2.50 for driving on the wrong side of the road.

Emil Louis Miller, 170 Woodrow street, Daly City, forfeited bail of $10 on a charge of disturbing the peace.

Don Richardson, San Francisco, forfeited bail of $5 for appearing drunk in a public place.

It Was Still Xmas For Four Subscribers

Christmas was not entirely over for four subscribers of the Daly City Record when the winners of the script books for the month of December were announced. Lucky winners of the script books, which entitle them to theatre admissions, were: Mrs. Augusta Nittel, 670 Hanover street; Mrs. G. Johnston, 200 Los Olivos avenue; Mrs. Bayard Duecher, 133 Irvington street; and Mrs. Lillie Pezzola, 156 Miriam street.

The script books are good for admission to the Daly City theatre or any other Golden State theatre. The script books are distributed by The Record. This circulation program is now culminated.

Veteran Firemen Install Officers

Heading the business at the regular meeting of the Daly City Veteran Firemen's association was the installation of officers for 1942, when the group met at 188 Santa Barbara avenue, Friday evening. Fire Chief and Comrade Past President A. P. Chesney conducted the installation ceremonies.

Installed for the coming year were: past president, A. W. Lang; president, J. F. Fields; first vice president, J. E. Kester; second vice president, E. J. Romer; recording and financial secretary, Gus Ford; treasurer, A. L. Hilton; marshal, Edward Goldkuhl jr.; and chaplain, Comrade Past President H. W. A. Rickmann.

The group paid a tribute to the late Comrade T. Koskinan when they stood at attention for one minute during the meeting. Comrade Jeff Lee conducted the ceremony.

Reports were made on the following sick and convalescing: Comrade Oyhancabel sr.; and First Past President F. Hanson. The reports were made by Past President Gus Schenk, Chief and Past President A. P. Chesney, Comrade A. Romer sr.; and Comrade Past President J. Twesten.

A committee arranging a banquet for the group reported that the time and place for the event would be announced at a later meeting.

Following the meeting, Comrade Chef J. Hesslein prepared a buffet supper for the Veteran Firemen.

Have You Paid For Those Seals?

Final reminder cards to residents of San Mateo county who have not yet replied to the annual Christmas seal appeal have been placed in the mail by the county tuberculosis and health association.

The budget committee of the association will be meeting within a few days, according to T. N. Thompson, cashier of the First National Bank of San Mateo county and treasurer of the association.

"The scope of our budget, in both regular activities and in wartime health measures, will depend a great deal on the response to those last reminder cards—we need your help," Thompson declared.

In addition to its regular case finding and educational work, the association this year is arranging for tests and x-rays for the county's public food handlers, and for draftees rejected because of tuberculosis and special educational work among soldiers and the host of defense workers now in the county.

Sale Of Defense Bonds, Stamps Soars

(Continued from Page 1)

reported that the sale of bonds was five times greater than stamp sales.

Daly City and Colma branches of the Bank of America sold a grand total of $41,175 worth of defense savings bonds since the attack on Pearl Harbor and declaration of war.

Fritz Erickson, manager of the Daly City branch of the Bank of America, stated that although the handling of the bonds required additional labor and expense without compensation, the banks regarded the service as a privilege and would continue to make provision for all requirements.

Two Colma Eagles Teams Meet Defeat

Resuming league play after a holiday rest, the Eagles Peninsula bowling league saw the Golden Gate Dodgers and the San Francisco "B" Eagles administer defeats to the two Colma Vista Grande teams.

Colma Vista Grande "A" bowlers went down to defeat at the hands of the Golden Gate Dodgers, and the San Francisco boys scored a win over the local "B" aggregation.

Golden Gate Yankees won over Redwood City by a score of 3 to 0, and the other match between South San Francisco and the San Francisco "A" team was won by the latter by default.

Another Year of Growth For Bank of America

Resources of Two Billions Shown in New Statement

The year end Bank of America statement of condition reveals that in 1941 the growth of the institution was the greatest in its history.

Early in December, Bank of America became the first two billion dollar bank in the United States outside of New York City. As of December 31, 1941, total resources stood at $2,095,635,000, an increase of $278,100,000 during the year.

DEPOSITS AT NEW HIGH

Deposits reached the total of $1,908,383,000, a gain of $276,155,000 over last year.

The aggregate of loans and discounts outstanding was $914,569,000, which is $136,274,000 more than a year ago. Cash and securities amounted to $1,122,179,000 an increase of $145,148,000 over the previous year end.

After payments and accruals for taxes and other Government assessments of $8,227,000, earnings for the year were $28,665,000. From this total, $4,502,000 was reserved for depreciation of bank premises and other real estate, and amortization of bond premiums and $5,119,000 was set up in reserves and applied to the absorption of losses or the revaluation of assets. After payment of $10,680,000 in dividends at the annual rate of $2.40 per share on the common stock and $2 per share on the preferred stock, and after $1,322,000 in profit-sharing bonus to employees, capital funds were increased from earnings for the year by $7,040,000, before retirement of $3,000,000 of preferred stock from this amount on January 2, 1941.

NEW WAR RESERVE

Commenting on the statement, president L. M. Giannini stated that the board of directors decided at this time to commence the building of a substantial reserve as a cushion against unforeseen contingencies which may result from the war or postwar readjustments and other contingencies. For the nucleus of such a reserve, designated "reserve for war contingencies, etc.," one half of the net increase in undivided profits account from the year's operations, and the unallocated reserve, have been transferred to the new account, which now aggregates $11,284,000.

PREFERRED STOCK RETIRED

President Giannini further announced that on January 2, 1942, the preferred stock retirement fund will be increased to $4,302,000 by a transfer from undivided profits account, and $3,500,000 of this fund will be used for the purchase and retirement of 70,000 shares of the bank's four per cent preferred stock. This, with the previous retirement of preferred stock on January 2, 1941, will bring the total retirement of preferred stock to 130,000 shares, having a total issue price of $6,500,000, or 21.7 per cent of the entire outstanding issue.

"It is a matter of deep satisfaction," Giannini concluded, "that the bank is in a stronger position than ever before to pursue its policy of all-out aid to our war effort, and to continue its assistance to all lines of activity in California which are increasingly important to the general welfare of the nation at this time."

High School PTA Plan Friday Event

First social event of the new year for members of Jefferson Union High School P. T. A., has been set for Friday afternoon at 12:30 p. m. The ladies will meet at the Marin-Dell company for a luncheon and whist game.

In charge of the affair will be Mrs. George Windhurst. Other ladies of the organization will assist with the party arrangements.

The group's first executive board meeting will be called to order this afternoon at 1:30 p. m. The meeting will be held in the school cafeteria. Mrs. Remi Sanders and Mrs. R. L. Crane jr. are hostesses of the day.

After the regular business session, the ladies will be served refreshments.

Pershing P. T. A. Schedules Events

Three activities have already been marked down on the General Pershing P. T. A.'s social calendar for the coming term. At their regular business meeting, yesterday afternoon at Pershing school, the ladies discussed plans for their joint whist with Crocker P. T. A.; a paper drive; and a graduation party for the graduating class at the school.

Proceeds from the huge joint whist, with the two units, will go toward replacing cafeteria material. Date and committee members will be announced later.

Members of the unit are planning a theatre party for the students of the graduating class. Date and committee members for this affair will be announced later.

The regular meeting of the executive board was held, last Wednesday afternoon, at the school.

Mrs. Frances Haussler, sewing chairman, announced that the regular sewing group meetings will be dispensed with this term. All sewing will be handed out to members during the regular business session.

Refreshments were served following the regular business session. Mrs. Sarah Nordgren was chairlady.

Bayshore P. T. A. Changes Meeting Time

A change in meeting time of the Bayshore P. T. A. monthly sessions was suggested at the unit's last executive board meeting, Friday. The ladies decided to hold the meetings in the afternoons rather than evenings due to possible blackouts.

Next regular meetings will be held Friday, January 9, at 1:30 p. m. in the school auditorium.

Mrs. George Priola, program chairman, has arranged a special program for the day. All members are urged to attend.

A suggestion was made by Mrs. E. Percival to hold an afternoon whist. Date and committee of the affair will be discussed at the group's next regular meeting.

Tralia Picetti, Colma, Succumbs

Tralia Picetti, 65, Colma, succumbed, Friday. She was the wife of Bartolomeo Picetti, mother of Albina Hopkins, Bennie Picetti, sister of Louis and Romeo Schenone, Louise Delucchi, Rose Giannini, Adeline Arata, Emma Passaglia and the late Adolph Schenone. She was a native of San Francisco.

Funeral services were conducted Saturday at 9 a. m. from a downtown mortuary. Mass was held at 9:30 a. m. from Holy Angels' church. Interment was at Italian cemetery.

Greek Training Table

Candidates for athletic games in ancient Greece lived on new cheese, dried figs, boiled grain with warm water and no meat.

Crocker PTA Board To Meet Tomorrow

Members of Crocker P. T. A. executive board will meet at the home of Mrs. Olga Bordson, 614 Templeton avenue, tomorrow at 11:30 a. m. The meeting will be the first of the new year and all members are urged to attend.

Honored speaker at the unit's next meeting, Tuesday, January 13, will be Mrs. Stella Jensen. She will speak about "Problems of Health and Safety of the Adolescent."

The meeting will be held at Crocker school.

Mrs. Bordson, president of the unit, wished all members and friends a "Happy New Year."

Crocker Chapter Holds Meeting, Monday

Associate Matron Violet Smith and Associate Patron Roy Weiland were in charge of the program for Monday evening's meeting of Crocker Chapter No. 382, O. E. S. The session was the first stated meeting of the organization in 1942.

Refreshment committee for the evening included Pearl Weiland, Gloria Woods, May Coolidge, Esther Fernandez, Mea Jeans, and Lucille Allison.

MUSIC

Concert Series To Be Continued

The music life of San Francisco will go on regardless of the war, according to Gaetano Merola, general director of the San Francisco Opera association, which is now in the midst of its annual concert series.

"We have had some inquiries regarding our concerts," said Merola. "However, it is the judgment of all that we should continue our normal community activities just as long as these do not conflict with the public interest."

"Certainly music becomes an important factor in the matter of public morale, and the Opera association believes that it has an obligation to fulfill in making good music available to the people, especially in times like these."

The Opera association is presenting two outstanding attractions during the next two weeks. Tomorrow evening, Dusolina Giannini, prima donna soprano of the Metropolitan Opera company, will give her first concert here. She has selected a program of interesting songs from her operatic and concert repertoire.

Next week, Wednesday, January 14, the Opera association will present the famous Don Cossacks under the direction of Serge Jaroff. This Chorus, known as the "Fighting Giants of the Russian Steppes" is always one of the big attractions of San Francisco's concert season.

Tickets for both of these events and other concerts later in the season are now on sale at the Sherman Clay Box Office in San Francisco.

COLD DAYS AHEAD
. . and the call goes out for HOT COMFORTING SOUP

Dorothy Greig

ON cold nights, a big tureen of mother's potato soup set steaming on the table made the eyes of us youngsters glisten with anticipation. Father just breathed "Ah!" happily,

A garnish of frizzled onion rings adds to the appetite appeal of cream of potato soup.

and beamed genially on the table at large.

The other day I thought of that long-time-ago family enjoyment of mother's potato soup when a big bowl of cream of potato soup was served for lunch. For this soup had the same thick smooth look with big slices of potato in it, and was a stout, hearty soup of satisfying goodness.

It is a new soup, I was told, a canned condensed cream of potato soup—the latest addition to the line-up of canned soups. To serve, just add an equal quantity of water and heat.

Modern canned soups are wonderful anyway. Eaten plain they are fine of flavor, quick as a wink to prepare for a meal. Combined, two or more together, they offer all kinds of possibilities for individuality.

For instance, here are some favorites I save for chilly nights when the warm spreading glow of good hot soup is comfort indeed to a hungry family:

Tomato Scotch Soup

1 can condensed tomato soup
1 can condensed Scotch broth
2 cans water

Combine the tomato and Scotch broth soups. Then add two cans of water, using the soup can for a measure. Heat to the boiling point and simmer 3-4 minutes.

Serves 5-7 portions.

Hungry Man's Choice

1 can condensed ox tail soup
1 can condensed vegetable-beef soup
2 cans water

Combine the soups. Add water and heat to boiling. Simmer 3-5 minutes.

Serves 5-7.

Clam Chowder Bisque

1 can condensed clam chowder soup
1 can condensed chicken gumbo soup
2 cans milk (using soup can for measure)

Empty the clam chowder into a saucepan and to it add the chicken gumbo soup. Then stir in 2 cans of milk. Heat to boiling point, but do not boil.

Serves 5-7.

Cream Curry Soup

1 can condensed pea soup
½ can condensed tomato soup
½ teaspoon curry powder
2 cans milk
¼ cup heavy cream

Stir the tomato soup into the pea soup. Mix the curry powder with a tablespoon of the milk. Then add curry paste and remaining milk and heat, but do not boil. Just before serving add the heavy cream.

Serves 5-6.

China Elephant

Dr. William W. Christley, Corydon, Ind., dentist, found a tiny china elephant in the debris of the 1937 Ohio river flood. He kept it. Since then, he has collected more than 700 toy elephants, big and little, in every kind of material from ivory to sponge. He keeps them in his office.

Rubber Grips

To avoid dangerous bathtub falls are new rubber hand and foot grips that fasten securely to the bottom and sides of the tub with suction cups. The designs are conservative, neat, and there is a choice of colors.

Human Head Sacred

In the Fiji islands, the human head is held to be sacred and it is an insult to reach above the head of another person. Women in consequence crawl on their hands and knees when men are at leisure inside a house. Persons who have been insulted are likely to commit suicide to eradicate the shame.

Equal Billing

George and Edward Shetler have succeeded in getting equal billing until the very last day of their high school career. Twin athletes and scholars, they co-starred in track, baseball and basketball for four years in Woodhull, Ill.

Honor Miss Linden At Bridal Shower

Miss Barbara Jean Linden, daughter of Mr. and Mrs. Ambrose James Linden, 467 Niantic avenue, was the recipient of many lovely gifts at a bridal shower given in her honor, Sunday. Hostesses at the gala event were Mrs. A. Torregano and her daughter, Mrs. William Semeit. The affair was held at the home of Mrs. Torregano in San Francisco.

The room and refreshment table were cleverly decorated in the bridal motif. Many friends of the bride-to-be attended.

Miss Linden will exchange wedding vows with Henry Volkman jr., Saturday evening at 7 p. m. The ceremony will be held at Our Lady of Perpetual Help church. Father Thomas Phelan will perform the ceremony.

Miss Gloria Linden, sister of the bride-to-be, will act as maid-of-honor. Bridesmaids at the romantic event will be Miss June Volkman, Miss Lillian Cavagnaro, and Miss Cleo Adamson.

Robert Mooney will be best man. Ushers include Robert Wright, Bert Lanthier and William Semeit.

Happy Family

A big, happy family, all year round, are employees of the Central Vermont railway. A glance at the payroll roster reveals the names of Parent, Child, Relation and Friend. Then there are Summers, Winters, Raine, Snow, Fogg, Haile, Frost and Flood.

Biggs, and Bert L. Meritt. Miss Redkey and Biggs are instructors at Jefferson Union high school, and all three are certified first aid instructors. The standard first aid requirements are ten hours.

Qualifications for enrollment in the advanced class conducted by Crane requires a standard first aid certificate. This class is being instructed primarily to increase the personnel of instructors so that lecture courses for air raid wardens, auxiliary firemen, and auxiliary police officers may be given. A number of the advanced group have recently completed a standard course which Crane conducted, last year.

California Grows In Leadership

Bank of America's year-end statement of condition, which appears elsewhere in this issue, is regarded by local officers of the bank as testimony to the growing economic leadership of California.

No other section of the country outside the city of New York, they point out, has achieved a two billion dollar bank, adding that this means unusual ability to support the war effort in addition to providing for ordinary financial needs.

Continued growth of Bank of America under current abnormal conditions is widely attributed not only to devotion of the statewide staff to a policy of public service and to efficient management, but also to steadily increasing popular acceptance of the bank's services.

Your Income Tax

WHO MUST FILE A RETURN? Every single person having a gross income of $750 or more; every married person, not living with husband or wife, and having a gross income of $750 or more; and married persons living with husband or wife, who have an aggregate gross income of $1,500 or more.

WHEN MUST RETURNS BE FILED? For the calendar year 1941, on or before March 16, 1942. For the fiscal year, on or before the 15th day of the third month following the close of the fiscal year.

WHERE AND WITH WHOM MUST INCOME TAX RETURNS BE FILED? In the internal revenue district in which the person lives or has his chief place of business, and with the collector of internal revenue.

HOW DOES ONE MAKE OUT HIS INCOME TAX RETURN? By following the detailed instructions given on the income tax blanks, Form 1040 and Form 1040A (optional simplified form).

WHAT IS THE TAX RATE? A normal tax of 4 per cent on the amount of the net income in excess of the allowable credits against net income (personal exemption, credits for dependents, interest on obligations of the United States and its instrumentalities and earned income credit) in the computation of the normal tax net income; and a graduated surtax on the amount of net income in excess of the allowable credits (personal exemption and credit for dependents) against net income in the computation of the surtax net income.
